Alex...

Eh?
Hey!
.....
Alex!
Why did you do this...!?
What's wrong?
.....

Alex...
!?

Let's go, Alex! Others will come here because of the gun fire!

Lower your gun, Alex!

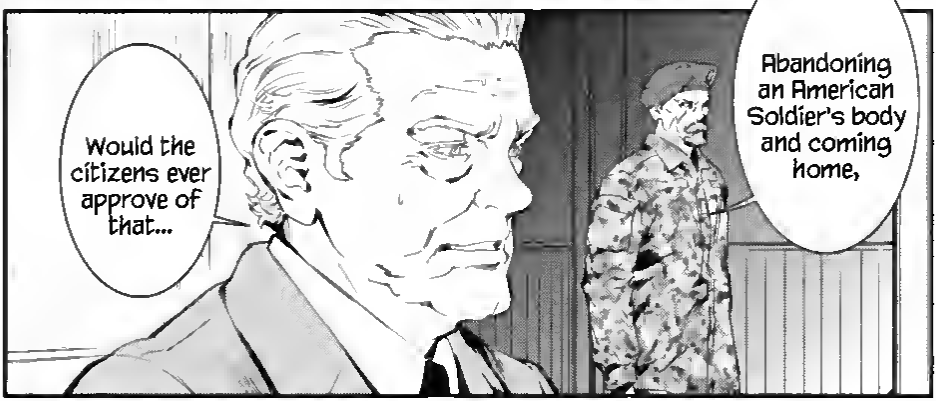
Stop ...!
Alex!!!

What happened !?
...Alex's biological functions have stopped!
Captain Shepherd!
Give us a SITREP!

……
Confirmed death of objective A.

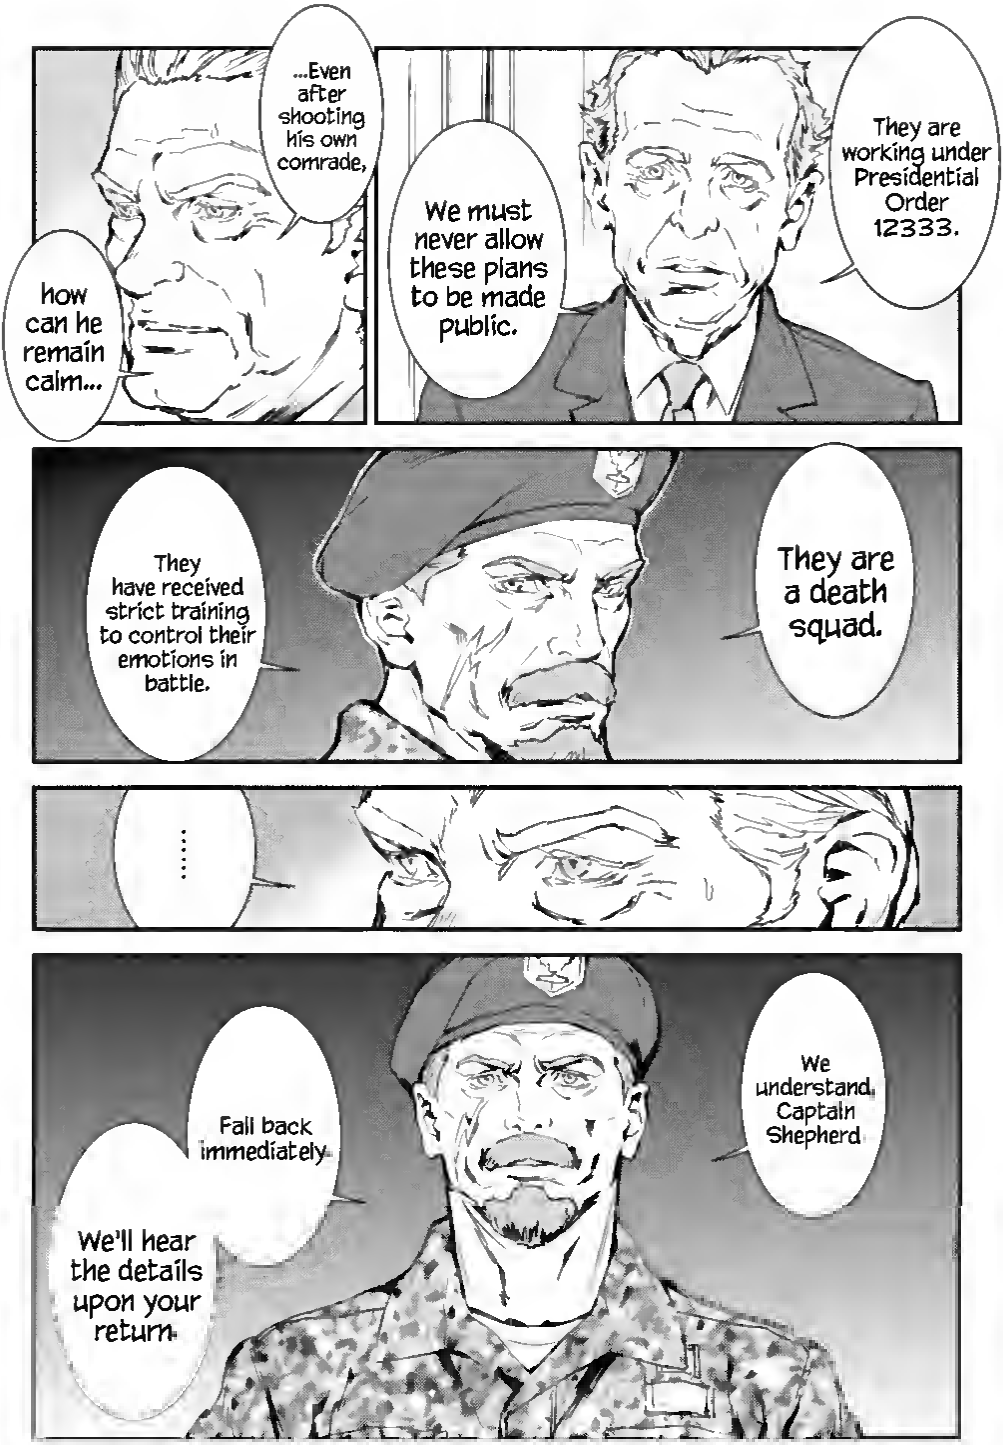
I made a field decision-
and shot and killed Lieutenant Alex.
In accordance with the operating procedures for the death of a squad member
I will dispose of his body.

What the hell...!



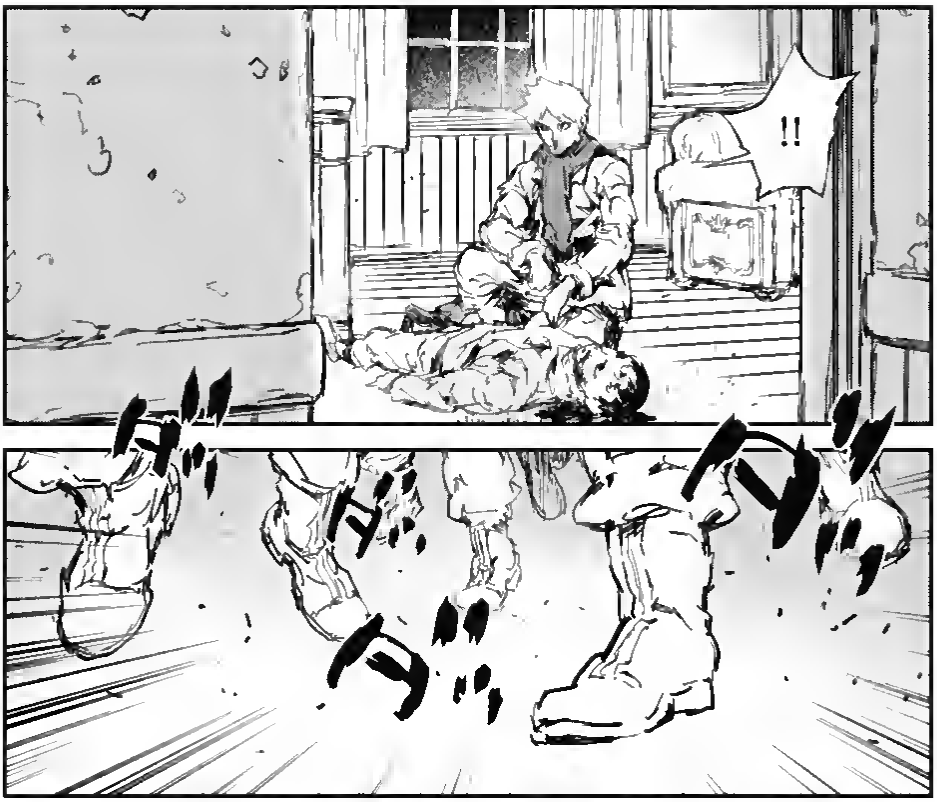
Would the citizens ever approve of that...
Abandoning an American Soldier's body and coming home,

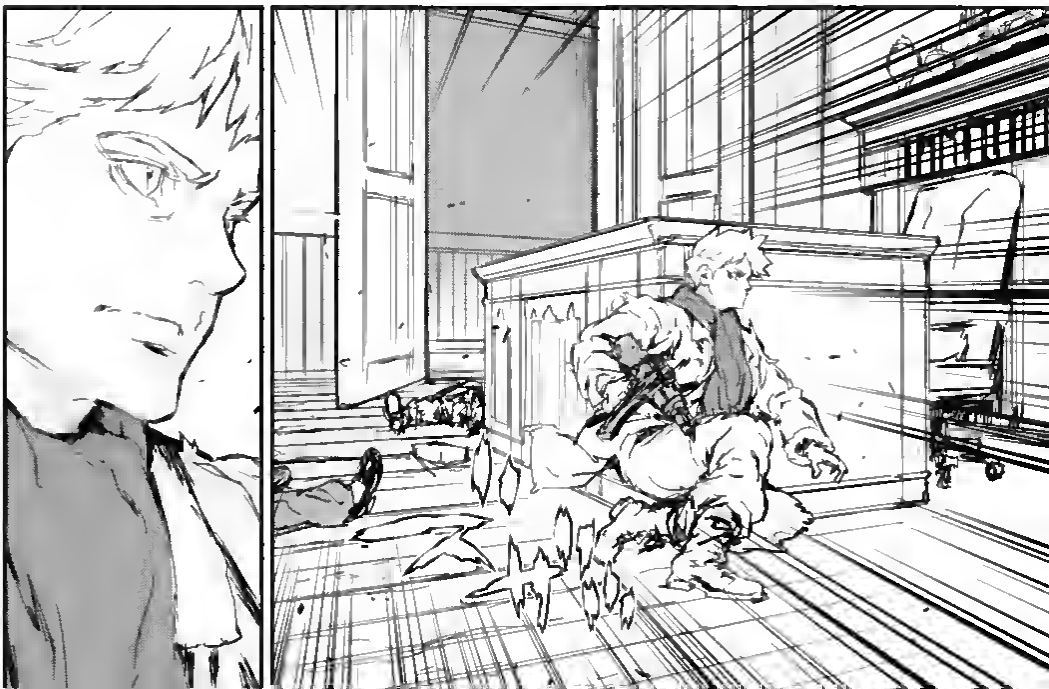
No Mr. President, that is the correct decision.



...Even after shooting his own comrade,
how can he remain calm...
We must never allow these plans to be made public.
They are working under Presidential Order 12333.
They have received strict training to control their emotions in battle.
They are a death squad.
.....
We understand, Captain Shepherd
Fall back immediately
We'll hear the details upon your return.

20000
Why...
Alex.





Alex is dead.
I won't feel sad.
Or feel guilty.
I just need to
complete the mission.
